Attention: Attorneys At Law

On behalf of the Board of Directors of the Police Unity Tour of Southern California, I wish to thank you and all members of the **GEKLAW** law firm for your continued generous donation. Your financial support helps us continue our mission to raise awareness about the police officers that have died in the line of duty from the City of Los Angeles.

On May 10, 2017, we will join nearly 2100 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC. Once again this year, the Police Unity Tour – Southern California Chapter will have 400 police officers representing The Los Angeles Police Department California Highway Patrol, The Los Angeles County Sheriff's Department and Police Departments from Alhambra, Beverly Hills, West Covina, Palos Verdes Estates, Pasadena and Long Beach PD.

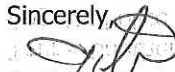

We will depart from Somerset, New Jersey and over the course of three days, cycle through Philadelphia, Delaware Baltimore and ultimately into Washington DC.

On May 13th, we will join over 40,000 people at National Law Enforcement Officers Memorial, Candlelight Vigil. During the Ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the National Law Enforcement Officers Memorial, which already contains over 21,000 fallen heroes.

The law firm of Gordon, Edelstein, Krepack, Grant, Felton and Goldstein, LLP generous support for California's Fallen, make it possible for our organization to exist and to once again honor those that have paid the ultimate sacrifice and ensure that they are never forgotten. Our motto is, "We Ride For Those Who Died."

Thank you again for your support!

Sincerely,

  
Gil Curtis

Gil Curtis, President  
Police Unity Tour of Southern California
