Dear Dr.

The state of California allows workers' compensation insurers to undertake utilization review of health care services provided to persons eligible for workers' compensation medical benefits and insurance coverage.

After review of this request, based on the medical information submitted at this time, the following specific treatment(s) and/or service(s) for this patient is approved as stated below:

TREATMENT/SERVICE REQUEST: knee arthroscopy dx  
DAY(S)/VISIT(S): 1  
DURATION (not applicable for Inpatient requests): 1 Once  
SETTING: Outpatient

DATE DWC FORM RFA FIRST RECEIVED: 03/17/2014

DECISION DATE: 03/24/2014

**ADDITIONAL INFORMATION:**

CERTIFIED per Peer Review: Diagnostic arthroscopy of the right knee

Actual service dates are dependent upon the treating provider or servicing facility's scheduling needs. If the actual date exceeds 30 days from this approval date, a new review may be necessary, as clinical findings may have changed.

On prospective or concurrent requests, if these requested services need to be extended beyond this approval, you should contact us on or before the last service date. You may reach us at the toll-free telephone number listed above on normal business days between the hours of 9:00 AM and 5:30 PM Pacific time. An oral request must be followed by a written confirmation within seventy-two (72) hours. Written requests may be faxed to 603-334-8141.

This treatment confirmation assures the appropriate reimbursement will be made for the treatment stated above, subject to the provisions of Labor Code sec. 5402. All services are subject to the official medical fee schedule.

The confirmation of this treatment/service request is not intended to endorse the treatment/service request or interfere with the provider's duty to adhere to any applicable practice standards.

Sincerely,

Amanda
